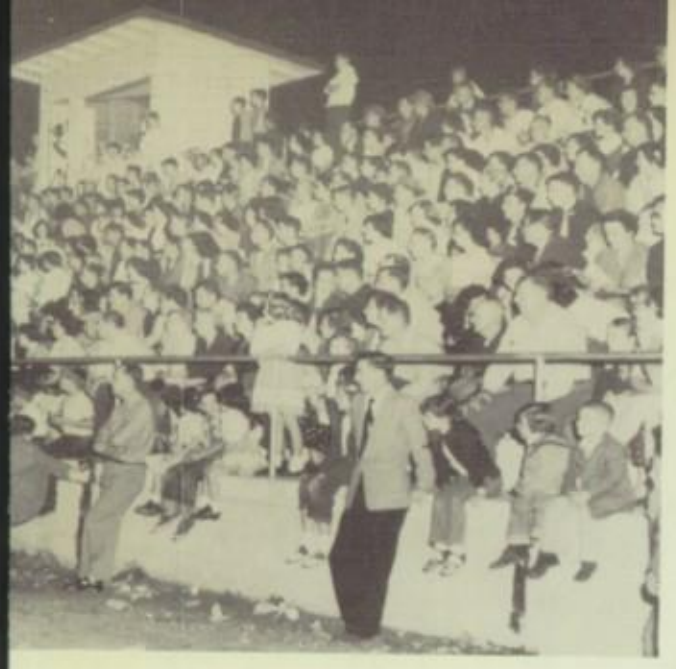
Another year has fled and left its footprints in the sands of time, and with it fades the memories of good times spent at Randolph.

Through the pages of this annual, your book, we have attempted to recapture those precious memories in words and pictures, so that in future years you may remember and relive them again and again.

As you leaf through these pages, you may recall the wonderful time you had at the school dances, the notes you used to pass in class, and the long nights before exams spent with books, cokes, and Stan Kento

A picture of the football team brings to your mind a stadium packed with fans, the beat of the green and white band, and your own



excitement when a Bobcat end crashed over the goal line for that winning T. D.

You flip a page and there once again before you are the Bobcats, this time in basketball uniforms. Remember how excited you were at tournament time?

Time speeds quickly by, and soon you are no longer a Randolph student. You leave the familiar classrooms and faces and step into an entirely new world. But when you are feeling low and need the comfort of an old friend, you have only to leaf through the pages of your annual, and recall the good times you spent at Randolph to make your day and your memories a little brighter.

superintendent's message

Psychologists have much evidence to show that learning is an active process and that it takes place best in problem-solving situations. Some educators even contend that the extra-curricular program is the heart and soul of our total program. The members of the Bobcat staff have certainly been active. They have also run into numerous problems. But the experiences gained and the happy hours spent working together on this project will bring forever wonderful rewarding memories.

The Seniors have reason to be proud of this volume of the Bobcat. It's another example of the high degree of excellence of the Class of '55.

randolph board of education

Left to right: Mr. Charles A. Butler, Vice President; Mr. Roland St. John, Mr. Robert Warner, President; Mrs. L. M. Light, Clerk; Mr. James R. Hutchinson, Mr. Russell Worley.

The Randolph Board of Education is a very important factor in the functioning of school. They are, we might say, the head mechanics of the school, for it is up to them to keep things running smoothly.

Their jobs consist of employing all personnel, Teachers are carefully chosen for their ability, not only to teach the students geography and English, but also to get along with and be respected by their students and fellow faculty members.

It is the job of the board to establish all policies for the school. In so doing the Randolph board attempts to reflect the opinions of the citizens of the district. The board also must make decisions concerning important problems and projects, the most prominent and important project now being the erection of a new school building for the ever-increasing Randolph Township. They realize that good study facilities are an important factor in the advancement of education, and they are working hard to improve such facilities at Randolph.

This board is elected by the people of the Randolph District, and services are almost entirely voluntary.

The Randolph Board of Education is a hard-working conscientious group of citizens who have dedicated their time and effort to making sure that the students of Randolph will receive the best possible facilities and equipment they can attain.

We, the students of Randolph, realize the interest that our board has taken in our welfare and advancement, and we are deeply grateful for the opportunities and privileges they have so thoughtfully provided for us.

Four years ago, September, 1951, we entered our first year of high school. Mr. Barger was our advisor and Bruce Motter, the leader of our class. During our freshman year we were very proud to be the largest class in the school. Class parties, paper drives, and bake sales were our successful money-making projects. We worked hard this year and our treasury was beginning to build up. We were soon to become a big part of Randolph as

SOPHOMORES! Our advisors this year were Miss Miller and Miss Corwin. Later, Mr. Lancaster replaced Miss Corwin. With their help and the leadership of Mitzi Schroeder, our "bankroll" was really starting to bulge. We were beginning to look forward to that wonderful trip to Washington. The "Harvest Moon Hop" was our first big dance this year, and everyone worked hard to make it the success that it was. Has another year gone by already? Time is passing quickly and now we are

JUNIORS! We are now learning the meaning of responsibility. Our work is harder, and again we are planning to make money. We learned to work together. Selling magazines, producing a play, and giving a Valentine dance were many things we did for the first time. Our beautiful Junior-Senior Prom, "Some Enchanted Evening," will always be a wonderful high school memory. Our advisors, Mrs. Brumbaugh and Mr. Cultice, and our leader, Mitzi Schroeder, saw and helped us through a profitable year. Now we are

SENIORS! Many never-to-be forgotten moments were shared by our class this year. Spec Sanders was our leader and Mrs. Jay and Mrs. Fox, our advisors. We gave "Holly Daze," the formal Christmas dance, and we did our best to cheer the athletic teams on to victory. Our work days and the production of our class play helped promote our trip to Washington. We are proud to have been a part of Randolph and we will long remember the good friends and gay times we have had. Our training at Randolph has helped us greatly to prepare for the future and to take advantage of the opportunities open to us. Baccalaureate and Commencement have made a lasting impression on us and we leave Randolph with the hope that we will be able to make it as proud of us as we have been of it.

the class of '55

To start off our senior year, Spec Sanders took the reins as class prexy. We all want to express our thanks to him for guiding us through a wonderful last year.

On November 19, 1954, the P.T.A. gave their annual fall festival. The next day we seniors volunteered to clean up - for a little fee, of course, to help out our financial situation.

On December 18, 1954, we seniors gave our Christmas formal, "Holly Daze." It was held in the gym. We all had a wonderful time even if we did work hard getting our decorations ready.

With the coming of spring came the ordering of caps and gowns and our name cards and announcements for graduation.

To help us on our way to Washington, we sponsored a senior work day. We were worn out, but the money we received made up for it, and we had fun working together.

We gave "George Washington Slept Here" on April 21 and 22, 1955. It really went over with a bang.

Here are some seniors trying out for the various parts.

Standing: Sharon Brumbaugh, Secretary; Jill Walker, Treasurer; Diane Deal, Vice President. Seated: Darlene Grier, President.

It was a bright, sunny morning in September, 1952, as we ventured into our first year of high school. As freshmen, we had many things to learn, but as time passed, we learned to work together. With the advice of Mr. Adkins and under the leadership of Don Ridgwey, we soon had the title of the richest freshman class ever at Randolph. We wrote the first class constitution, and were the first freshman class to sponsor a dance. All of these things faded into the past as we were

SOPHOMORES! Once again things started to perk. We were very eager to get ahead, and with the help of Miss Miller and Mr. Jepsen, our activities grew more and more. Paul Herr was now president and we began organizing many different things. To make the treasury swell a little more, we sponsored our first big dance, "Frosted Fantasy," but soon we were choosing our class rings, and now we are

JUNIORS! It is 1955 and we are growing up fast. We have proof of this by the things we have been doing. Our first class play, "January Thaw," was termed the best by all who saw it. Magazine sales, "Cupid's Capers," and last but not least, the beautiful Junior-Senior Prom are all memories that will last forever. But let us not forget our president, Darlene Grier, and our advisors, Mrs. Brumbaugh and Mr. Cultice, who led us through another year safely. This leads up to the fact that we will soon be seniors with bigger and better ideas, so be on the alert for the

sophomore class officers

Left to right: Brenda Hosbrook, Vice President; Roger Wise, President; Carol Weber, Secretary; Terry Evans, Treasurer.

We were the largest freshman class ever to enter Randolph, and poor, unsuspecting Mr. Adkins and Mrs. Stratis were given the task of controlling this energetic crowd. Annabelle Gibson was elected president. Other officers were Terry Krug, vice president; Sharon Burns, secretary; and Roger Wise, treasurer. Throughout the year we sponsored a skating party, a bake sale, and our first class dance, "The Shamrock Shuffle."

Our sophomore year was highlighted with our second big dance, "The Starlight Whirl." Mr. Adkins was again given the responsibility of being in charge of our class, and he was assisted by Mr. Egan. This was the year when we struggled through plane geometry, biology, and world history - what a time we had. And some of the boys in our class made the football and basketball teams, and two of our girls were elected cheerleaders. We were really proud of all of them - and we did our share of cheering too!

Yes, it's been a wonderful year for us Sophs, but next year will be even better, we know, so watch for the

Left to right: Pam Marshall, Treasurer; Tom Boomershine, President; Edgar Benton, Vice President; Judie Roth, Secretary.

Our class got off to a good start this year. As Freshmen - an experience that was new to us, but one that we won't forget - we feel we did very well.

Under the leadership of Mr. Suhr and Miss Miller, we've had two bake sales, one dance, and several parties.

This year added to our attendance. Fifteen students came over from Clayton and joined us, making us seventy-nine strong.

Our president, Tom Boomershine, has done much to help us, along with Edgar Benton as vice president. Our secretary was Judie Roth and our treasurer was Pam Marshall.

We think that, all in all, we've had a pretty successful year. In the future, watch out for the

Noon-time activities at Randolph center around the cafeteria and gym. Pictured here are students enjoying their noon lunch in our cafeteria.

Intramural games are a big part of the noon-time activities. Members of the league championship team are shown at left. They are Paul Gray, Frank Kyle, Don Durst, Bill Merritt, Spec Sanders, and Sonny Worley. Floyd Denlinger, the intramural manager, is also pictured.

Another phase of the gym program is the use of the newly acquired trampoline. It is a popular piece of equipment with the students, and many of them have become quite proficient on it.

This year the Randolph Bobcats entered a new and rougher league, the Southwestern Buckeye League. They faced one of the toughest schedules a Randolph team has ever been asked to face.

The squad, consisting of nine seniors, twelve juniors, twenty-two sophomores, and five freshmen, had only eight returning lettermen. The team showed much potential, but failed to win consistently because of inexperience and bad breaks. They finished the season with 2 wins, 4 losses, and 1 tie. They gained respect with every game and finished fifth in the final Southwestern Buckeye League standings.

Bruce Motter and Dan Baker, co-captains, received first team berths on the All-League Defensive Team. Receiving honorable mention were Ronnie Whitesell, Spec Sanders, Paul Gray, Steve Josselyn and John Coleman.

The 1954-1955 basketball team, under the capable leadership of Mr. William Yensel, enjoyed a winning season in their first year of Class "A" competition. The Bobcats showed everyone that they were ready for the rugged competition in the South Western Buckeye League by finishing in fourth place with a league record of 4 wins and 3 losses. Their total season's record was 8 wins and 7 losses.

The Bobcats got off to a rather shaky start as they won only two games in the first seven encounters, but they bounced back and swept six games out of the remaining eight with impressive victories over Brookville, Oakwood, and an 18-point victory over a powerful West Carrollton quintet.

1954 baseball team

The 1954 baseball team, coached by Mr. William Yensel, participated for the first time in the South Western Buckeye League and finished with a record of 1 win and 7 losses. The team was composed mostly of sophomores and juniors who should be well seasoned for this year's baseball encounters. We also expect a good turn out of fresh material from some of the other classes.

First row: Jim Hess and Butch Yoder, Managers. Second row: Owen Macy, Jim Banker, John Coleman, Frank Kyle, Don Ridgwey, Dan Baker. Third row: Mr. Yensel, Coach; Winston Brumbaugh, Larry Collins, Paul Gray, Jerry Sherman, Spec Sanders, and Gordon Steiner.

Dick Lawyer set a county record in the mile with the time of 4 minutes, 49.8 seconds. Also outstanding was Ronnie Whitesell's performance as he set a county record in the pole vault with a leap of 10.5 feet. The team finished well in the meets in which they participated.

Our appreciation and thanks go to these girls for another year filled with that famous Randolph spirit.

"january thaw"

Suppose you bought an old farm house, moved in with three lively daughters, and then discovered that the previous owners and their girl-crazy son had the right to live there the rest of their lives. This is what happened to the Gages when the junior class presented January Thaw, a three act comedy, on November 23 and 24, 1954, under the direction of Mr. Richard Suhr.

holly-daze

A real Christmas spirit, silver snow, and the danceable music of Joe Cetinsky and his orchestra made the annual Christmas formal at the Randolph gym on December 18, 1954, a most enjoyable holiday treat.

The seniors, who sponsored the dance, took great pains to make sure that everyone had a wonderful time.

operetta

A hilarious comedy, "Ask The Professor," about four college students, who try to prove that heredity is bunk, was presented by the music department under the direction of Mr. James Meyer, on March 11 and 12, 1955.

"one foot in heaven"

Reverend Spence, his two children with the ability to get into trouble, and his wife moved to a small, dilapidated parsonage. The church was disintegrating, the congregation was warring among themselves, the choir sounded like fighting cats, and before long the Reverend's son was in jail.

This amusing comedy was presented on April 22 and 23, 1954, by the Senior Class of 1954 under the direction of Mr. Harold Jepsen.

Left to right: Sue Jones, Bill Doty, Jerry Tschudi, Lee Baker, Jo Turner, Bob Hansen, Tom Bowers, Kate Brumbaugh, Bob Peffley, JoAnne Stonerock, Chuck Woodbury, Faye Klepinger, Frances Haley, Bob Hesler, Janet Smith, Donna Roach, Barbara Gibson, and Barbara Wilson.

junior-senior prom

On May 7, 1954, the juniors said farewell to the seniors by entertaining them at the Junior-Senior Prom. It was "Some Enchanted Evening" in the Biltmore Hotel Ballroom. Johnny Reger and his orchestra played for the event.

Pictured are some of the juniors, seniors, and their guests taking advantage of a nice dance tune and the refreshments at the punch table.

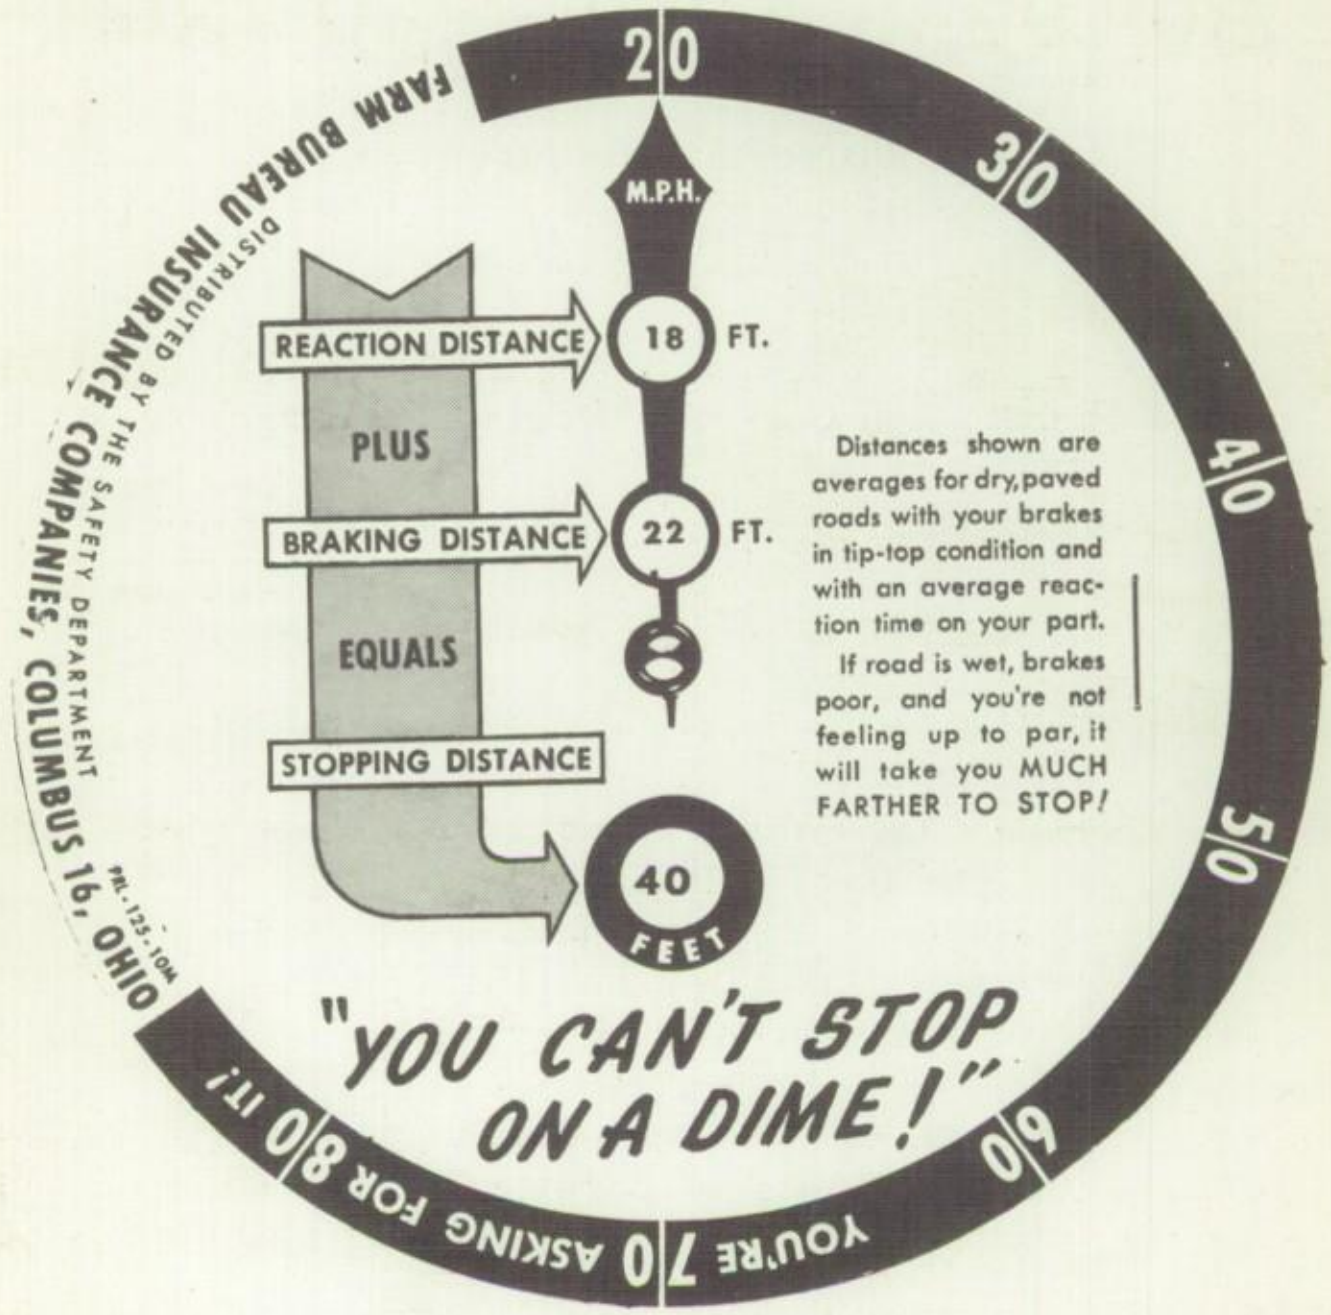
DRIVE CAREFULLY



Distances shown are averages for dry, paved roads with your brakes in tip-top condition and with an average reaction time on your part.

If road is wet, brakes poor, and you're not feeling up to par, it will take you MUCH FARTHER TO STOP!

THANK YOU

With these two words we express our deepest appreciation to everyone who helped to make the '55 Bobcat possible.

Words cannot express our gratitude to literally hundreds of people who have helped us in every way possible.

To Mrs. Jay, we are especially thankful. Without her enduring patience, guidance, and many hours of hard work, it would have been impossible for us to record, through words and pictures, our last year at Randolph.

We are also grateful to the businessmen of our community; for without their support and co-operation, we could have accomplished nothing.

This is your book. It is up to you to determine the success of the '55 Bobcat. We sincerely believe that we have fulfilled your expectations of a bigger and better Bobcat.
